MAYOR BOB FILNER CALLS ON THE TOURISM MARKETING DISTRICT TO STOP PLAYING POLITICAL GAMES!!!

(San Diego) – Below is a statement from Mayor Bob Filner after the San Diego Tourism Authority's threat to close their doors on Monday, June 3rd:

"I have had enough of the whining and complaining from the wealthiest hotels in America. It was only days ago that they submitted a bill! We will issue their money when they hold up their end of the bargain, for example, approving payments to the Balboa Park Centennial. This idle and baseless threat is beneath them and I urge them to grow up and do business the right way. The City of San Diego will not be held hostage by such antics."
